

Silver Lake Township Municipal Authority
December 22, 2020

Board Members present: Paul Adams, Carl Speicher, Dale Tifft, and Julie Perlick. Also present, Michael Hester

Paul Adams called the meeting to order at 7:03 pm.

No business from the Floor.

No changes to the Agenda

Minutes from the November meeting were approved on a motion made by Carl Speicher and seconded by Julie Perlick. Paul Adams voted to approve. Dale Tifft abstained as he was not present at the last meeting. Motion carried.

Correspondence reviewed. The Operator's report for this month was received electronically. All other mail involved advertisements.

Carl Speicher gave the Treasurer's report. We have grossed \$150,000. Last year we had \$167,000. Expenses this year totaled \$162,000, compared to \$131,000 last year. Cash balances are down approximately \$37,000 this year. Our sewer line and grinder repair costs were up this year, as was lagoon maintenance. In addition, earlier this year we were billed for 14 months of attorney fees.

Julie Perlick made a motion to approve payment of bills. Carl Speicher seconded. All approved.

The report from the Coordinator and the report from customer services will be addressed at the next meeting.

Report of the Operator was provided by Michael Hester. Ammonia levels are within limits for Laurel Lake. Quaker Lake's lagoon is now being filled as the sludge cleanout is complete. Mr. Hester added that DEP was in the area recently surveying streams and they were pleased with the quality of water in the local streams.

Unfinished business: Mr. Adams said that he has not yet spoken to Brian Hunsinger of the Laurel Lake Association about the survey. The SLTMA has not set our property lines up yet to identify what land we will be purchasing. This will be reported on at the next meeting.

New Business: None

As no further business was presented, Dale Tifft made a motion to adjourn the meeting and Julie Perlick seconded, approved. The meeting was adjourned by Paul Adams.
